

## **Kim McEachern, District 1 (Elected)**

Ms. McEachern started her career in 1979 and received her training through the Canadian Guild of Ophthalmic Dispensers and NAIT Northern Alberta Institute of Technology. She has been employed by the Opticians Association of Canada and independent optometric practices, and has also owned her own business. She is currently working as an optician in an independent retail location, and is an instructor for the Dispensing Optician Program for Stenberg College. Ms. McEachern has also served on several committees, including those with the Opticians Council of Canada, the Opticians of BC, Insight Council of BC, Foundation for Fighting Blindness, College of Opticians of BC, Douglas College, and Stenberg College. Her volunteer work includes community outreach vision screening, and is a past recipient of the Excellence in the Regulation of Opticianry - Community Service Award, from the College of Opticians of BC.
